

# Karen Azalea

(*Rhododendron* x 'Karen')

**Shrub**

**2' - 4' High**

**3' - 5' Spread**

**0 - 4 Hours**

**Evergreen  
Spring Blooming**

**Zone 4 - 9**

Karen Azalea has lavender purple flowers that bloom in early spring. The thick foliage is green in the growing season and turns burgundy in the fall and will stay evergreen throughout the winter. This hardy variety of Azalea is perfect for a shady area in need of color.
