

PJM Rhododendron

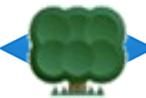

(*Rhododendron x 'P.J.M.'*)

Shrub

3' - 6' High

4' - 6' Spread

0 - 4 Hours

**Spring Bloomer
Pink Blooms**

Zone 4 - 8

PJM Rhododendron is one of the most well known varieties of Rhododendron. It has lavender-pink flowers that contrast with the darker foliage in the early spring. The foliage is dark green during the growing season and turns purple in the colder months. The perfect shrub for any shady area that need some life. **Attracts Hummingbirds!**
