

# Ramapo Rhododendron

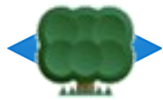

(*Rhododendron* 'Ramapo')

**Shrub**

**1' - 3' High**

**2' - 4' Spread**

**0 - 4 Hours**

**Compact Size  
Spring Blooming**

**Zone 4 - 8**

Ramapo Rhododendron produces abundant clusters of small, lavender-pink flowers in mid to late spring. The blossoms are trumpet-shaped and add a pop of color to the landscape. The leaves are glossy, dark green, and elliptical in shape. They provide year-round interest to the garden as they remain green in all seasons.
