

Stewartsonian Azalea

(*Rhododendron 'Stewartsonian'*)

Shrub

4' - 5' High

4' - 5' Spread

2 + Hours

**Compact Shape
Spring Bloomer**

Zone 5 - 8

The Stewartsonian Azalea bursts with magnificent red blooms in early spring. It enjoys morning sun and afternoon shade, but can tolerate almost any partial shade area. The leaves will turn darker as the season progresses. Sure to catch the eye of any observer.
