

Buttercream Drift® Rose

(*Rosa 'Meidevi'* USPP35825)

Shrub

1' - 1.5' High

2' - 2.5' Spread

4 + hours

**Prolific Bloomer
Groundcover**

Zone 4 - 11

Buttercream Drift® Rose is a charming, compact shrub rose that combines the beauty of traditional roses with the practicality of a low-maintenance ground cover. This delightful plant produces clusters of soft, buttery-yellow blooms with creamy undertones, creating a stunning display of color throughout the growing season.
