

# Coral Drift® Rose

(*Rosa 'Meidrifora'* USPP19148)

**Shrub**

**1' - 2' High**

**2' - 2.5' Spread**

**4 + Hours**

**Compact Shape  
Glossy Foliage**

**Zone 4 - 11**

Coral Drift® Rose produces coral-colored flowers that cover the shrub from late spring to fall. The foliage is hardy and disease resistant. The low spreading habit makes this shrub an excellent choice for borders or walkways.
