

# Coral Knock Out® Rose

(*Rosa 'Radral'* USPP19803)

**Shrub**

**4' - 4.5' High**

**4' - 4.5' Spread**

**4 + Hours**

**Prolific Bloomer  
Fragrant Blooms**

**Zone 5 - 11**

Coral Knock Out® Rose produces coral colored flowers in the late spring through fall. The new growth emerges bronze-red and fades to green. The flowers are slightly fragrant. A great shrub to add color for most of the growing season.
