

White Drift® Rose

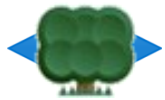

(*Rosa* x 'Meizorland' USPP28054)

Shrub

1' - 2' High

2.5' - 3' Spread

4 + hours

**Glossy Foliage
Disease Resistant**

Zone 4 - 11

White Drift® Rose has pure white double flowers. Deadheading will promote more flowers throughout the growing season. The glossy dark foliage is disease resistant. A great choice for borders or to cover some blank spaces in the landscape.
