

# White Knock Out® Rose

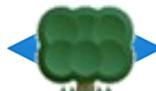

(*Rosa 'Radwhite'* USPP20273)

**Shrub**

**3' - 3.5' High**

**3' - 3.5' Spread**

**4 + Hours**

**Prolific Bloomer  
White Flowers**

**Zone 4 - 11**

The White Knock Out® Rose is a stunning and resilient variety known for its abundant, pure white blooms that add a touch of elegance to any garden. The flowers, which bloom continuously from spring until the first frost, are single and slightly fragrant, creating a lovely contrast against the plant's dark green foliage.
