

# Heritage Raspberry

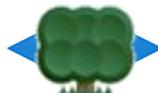

*(Rubus ideaus 'Heritage')*

**Fruit**

**4' - 6' High**

**3' - 4' Spread**

**4 + Hours**

**Large Fruit  
Summer Harvest**

**Zone 4 - 8**

Heritage Raspberry has slender and flexible canes that bend under the weight of its plump and juicy fruits. Its leaves are a rich green color and have a delicate texture, while the berries themselves are deep red, glossy, and bursting with sweetness. The plant is also hardy and resilient, capable of thriving in a wide range of conditions and producing bountiful crops year after year.
