

Goldsturm Black-Eyed Susan

(*Rudbeckia fulgida* var. *sullivantii* 'Goldsturm')

Perennial

2' - 3' Tall

1.5' - 2' Wide

Bloom Time:
Summer to Fall

4 + Hours

Zones 3 - 9

Black Eyed Susan is a favorite year in and year out! A colorful, fuss-free border plant and excellent choice for cut flowers. Bright, daisy-like, golden yellow flowers with black centers cover the dark green foliage throughout the season. Deer and rabbit resistant. Tolerates heat, humidity, and clay soil.
