

May Night Salvia

(*Salvia x sylvestris* 'May Night')

Perennial

1.5' - 2' Tall

1.5' - 2' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 4 - 9

May Night Salvia blooms prolifically throughout the late spring and summer. With deep purple-blue flowers, it is sure to stand out in any landscape. It is an outstanding perennial with excellent cold hardiness, vigor, and tolerance of heavy clay soils. If dead-headed it will rebloom later in the summer with another mass of abundant flowers.
