

# Violet Profusion Salvia

(*Salvia nemorosa* 'Violet Profusion' USPP31467)

**Perennial**

**14" - 16" Tall**

**16" - 20" Wide**

**Bloom Time:**  
**Summer**

**4 + Hours**

**Zones 3 - 8**

Violet Profusion Salvia is a compact, long-blooming perennial prized for its vibrant color and pollinator-friendly nature. From late spring through summer, it produces a profusion of rich violet-purple flower spikes that rise above a neat mound of aromatic, deep green foliage.
