

Black Lace® Elderberry

(*Sambucus nigra 'Eva'*)

Shrub

6' - 8' High

6' - 8' Spread

2 + Hours

**Dark Foliage
Summer Bloomer**

Zone 4 - 7

Black Lace® Elderberry has intense purple black foliage that is finely cut like lace, giving it an appearance similar to that of Japanese maple. It has pink flowers in early summer that contrast with the dark leaves for a stunning effect. Can be planted in a border or as a specimen plant.
