

Chameleon Little Bluestem

(*Schizachyrium scoparium* 'Chameleon' USPP31339)

Perennial Grass

1.5' - 2' Tall

1.5' - 2' Wide

4 + Hours

Cutback in Spring

Zones 3 - 9

Chameleon Little Bluestem is a captivating ornamental grass celebrated for its dynamic color changes throughout the seasons. In spring, the foliage emerges with a green and white variegation; as summer progresses, it transforms into shades of pink, burgundy, and purple, creating a mesmerizing display of color. Additionally, Chameleon Little Bluestem produces delicate, fluffy seed heads that catch the light and add a whimsical touch to its overall appearance.
