

Autumn Joy Sedum

(*Sedum spectabile* 'Autumn Joy')

Perennial

1.5' - 2' Tall

1.5' - 2' Wide

**Bloom Time:
Fall**

4 + Hours

Zones 4 - 11

Autumn Joy Sedum is a sturdy perennial, and is as tough as they come. Clumping leather-like foliage displays large, plate-like flower clusters that start pink, then gracefully age to rosy red in the fall. A fine addition to any rock garden or mixed border. Succulent foliage will die back to the ground in cold regions, but will re-emerge in early spring.
