Perennial

20" - 24" Tall

26" - 30" Wide

Bloom Time:

Fall

4 + Hours

Zones 3 - 9

Rock 'N Grow® Back in Black Sedum is a striking and hardy perennial known for its dramatic dark foliage and vibrant late-season color. This eye-catching sedum features deep near-black leaves that form a tidy, upright mound, providing bold contrast in any garden or landscape. In late summer to early fall, it produces clusters of bright crimson-red flowers that attract pollinators like bees and butterflies.
