

# SunSparkler® Dazzleberry Sedum

(*Sedum 'Dazzleberry'* USPP22457)

**Perennial**

**6" - 8" Tall**

**12" - 18" Wide**

**Bloom Time:**

**Fall**

**4 + Hours**

SunSparkler® Dazzleberry Sedum is a low-growing, sun-loving perennial prized for its vibrant foliage and long-lasting color. It forms a dense mat of succulent, blue-green leaves that develop rich purple tones, especially in cooler weather. In late summer, clusters of bright raspberry-pink flowers rise just above the foliage, creating a striking contrast and attracting bees and butterflies.
