

Rock 'N Grow® Midnight Velvet Sedum

(*Sedum hybrid* 'Midnight Velvet' USPP35725)

Perennial

22" - 26" Tall

30" - 32" Wide

**Bloom Time:
Fall**

4 + Hours

Zones 3 - 9

Rock N' Grow® Midnight Velvet Sedum is a bold, upright stonecrop prized for its rich, near-black foliage and long-lasting late-season color. Thick, succulent leaves form a sturdy, mounded clump that holds its shape well through summer, creating strong contrast in sunny borders and mixed plantings. In late summer, mauve buds open into clusters of rosy red flowers .
