

bloomin' easy[®] Puff Pastry[™] White Chocolate Sedum

(*Sedum* x 'Holtpupascho093')

Perennial

12" - 14" Tall

14" - 16" Wide

**Bloom Time:
Late Summer**

4 + Hours

Zones 4 - 9

Puff Pastry[™] White Chocolate Sedum is a striking succulent perennial that delights with its creamy-white to pale pink, star-shaped blooms atop a low-growing, succulent foliage mound. Blooming in late summer to early fall, its dense, textured flowers create a stunning contrast against its fleshy, green leaves with hints of burgundy, adding visual interest to rock gardens, borders, and containers.
