

# Fireworks Goldenrod

(*Solidago rugosa* 'Fireworks')

**Perennial**

**2' - 3' Tall**

**2' - 3' Wide**

**Bloom Time:**  
**Late Summer**

**4 + Hours**

**Zones 4 - 9**

Fireworks Goldenrod features an explosion of color and texture with its long, arching stems adorned with numerous tiny, bright yellow flowers that resemble fireworks bursting in the sky. The flowers are arranged in dense clusters atop the stems, creating a dazzling display. Pairs well with fall blooming perennials.
