

Little Spark® Spirea

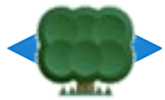

(*Spiraea japonica* 'Minspil04' USPP30819)

Shrub

1.5' - 2' High

1.5' - 2' Spread

4 + Hours

**Petite Variety
Prolific Bloomer**

Zone 3 - 8

Little Spark® Spirea is a compact, colorful shrub valued for its vibrant foliage and abundant summer blooms. In spring, fresh green leaves emerge, gradually developing rich, warm tones that enhance garden interest. By early to mid-summer, clusters of bright pink flowers cover the plant, attracting pollinators and adding a cheerful splash of color.
