

bloomin' Pineapple Poprocks® Spirea

(Spiraea japonica 'Golden Jack')

Shrub

2' - 3' High

2' - 3' Spread

4 + Hours

**Golden Foliage
Prolific Bloomer**

Zone 3 - 8

Pineapple Poprocks® is a compact, ornamental shrub admired for its bright golden-yellow foliage that provides striking color throughout the growing season. In late spring to early summer, it produces clusters of soft pink flowers that contrast beautifully against the vivid leaves and attract pollinators.
