(*Stachys byzantina* 'Helen von Stein')

**Perennial**

**8" -12" Tall**

**15" - 18" Wide**

**Bloom Time:  
N/A**

**4 + Hours**

**Zones 4 - 9**

Helene Von Stein Lambs Ear is the biggest leaved Lamb's Ear around. Grown for its wonderful soft velvety, silver-green foliage, the leaf shape and texture resemble that of a lambs ear which kids love to rub between their fingers. Great perennial for edging due to its uniform, mounding habit.
