

Totally Stoked™ Riptide Stoke's Aster

(*Stokesia laevis* 'Riptide' USPP36168)

Perennial

2' - 2.5' Tall

2.5' - 3' Wide

**Bloom Time:
Late Summer**

4 + Hours

Zones 5 - 9

Totally Stoked™ Riptide Stoke's Aster is a vibrant, eye-catching perennial celebrated for its bold, ocean-inspired color palette and reliably compact habit. Forming a neat mound of deep green, lance-shaped foliage, it sends up sturdy stems topped with large, fringed blooms that blend shades of cool teal-blue, seafoam, and soft lavender—creating a shimmering, tidal effect that stands out brilliantly in sunny gardens.
