

Totally Soked™ Whitecaps Stoke's Aster

(*Stokesia laevis* 'Whitecaps' USPP36726)

Perennial

2' - 2.5' Tall

2.5' - 3' Wide

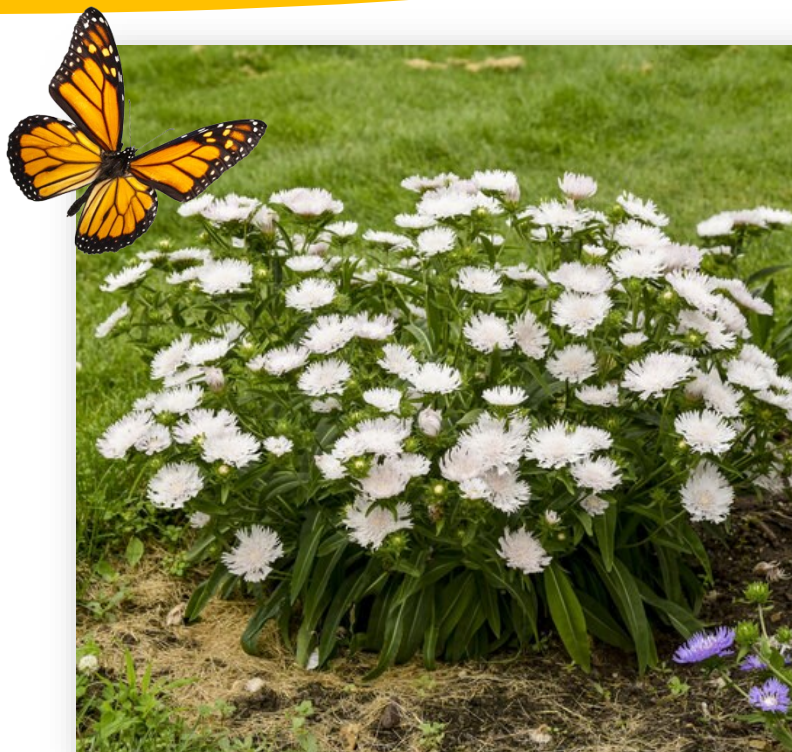

**Bloom Time:
Late Summer**

4 + Hours

Zones 5 - 9

Totally Soked™ Whitecaps Stoke's Aster is a striking perennial prized for its crisp, luminous blooms and tidy, mounded habit. Its deep green, narrow foliage forms a clean, compact base, sending up sturdy flower stems topped with large, fringed, daisy-like blossoms in pure, sparkling white. Blooming generously through summer, it attracts butterflies and other pollinators while maintaining excellent heat and humidity tolerance.
