Shrub

3' - 4' High

3' - 4' Spread

4 + Hours

**Reblooming
Fragrant Flowers**

Zone 3 - 7

In spring, Bloomerang Ballet® Lilac produces clusters of delicate, pale pink to light lavender flowers with the classic, sweet fragrance lilacs are known for. What sets this cultivar apart is its ability to rebloom throughout the summer and into fall, offering multiple waves of blossoms and an extended season of color.
