

# Hicks Yew

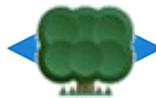

*(Taxus x media 'Hicksii')*

**Evergreen Shrub**

**10' - 12' High**

**3' - 4' Spread**

**4 + Hours**

**Columnar Shape  
Red Berries**

**Zone 4 - 7**

Hicks Yew is a tall columnar evergreen shrub. This shrub will form red berries that contrast well with the foliage. Its columnar shape makes it a great choice for an evergreen hedge or as a privacy screen.
