

Degroot's Spire Arborvitae

(*Thuja occidentalis* 'Degroot's Spire')

Evergreen Tree

20' - 30' High

4' - 6' Spread

Growth Moderate

4 + Hours

Zone 3 - 8

Degroot's Spire Arborvitae is a columnar evergreen great for making a screen. Foliage will darken in the winter months. The soft foliage can tolerate pruning and shaping. A great choice for privacy or wind block.
