

Hetz Midget Arborvitae

(*Thuja occidentalis 'Hetz Midget'*)

Evergreen Shrub

3' - 4' High

3' - 4' Spread

4 + Hours

**Compact Shape
Evergreen**

Zone 3 - 7

Hetz Midget Arborvitae is a slow growing, dense evergreen shrub. It naturally grows with a rounded habit and sustains its color throughout the winter. A great choice for a foundation planting or as a backdrop for smaller shrubs or perennials.
