

# Hetz Wintergreen Arborvitae

(*Thuja occidentalis* 'Hetz Wintergreen')

**Evergreen Tree**

**20' - 25' High**

**5' - 6' Spread**

**Growth Moderate**

Hetz Wintergreen Arborvitae is a upright evergreen valued for its dense branching and rich green foliage that holds its color well through winter. This hardy arborvitae forms a tall, conical shape, making it an excellent choice for privacy screens and windbreaks.
