

Mr. Bowling Ball® Arborvitae

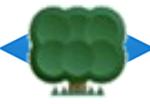

(*Thuja occidentalis* 'Bobozam')

Evergreen Shrub

2' - 3' High

2' - 3' Spread

4 + Hours

**Rounded Shape
Dwarf Variety**

Zone 3 - 8

Mr. Bowling Ball® Arborvitae is a naturally rounded dwarf shrub with dense evergreen foliage. The lacy, rich green foliage has excellent year-round color. It is great for a low hedge and in foundation plantings. Especially useful in areas where space is limited.
