

# Rushmore Arborvitae

(*Thuja occidentalis* 'Rushmore')

**Evergreen Tree**

**20' - 25' High**

**5' - 6' Spread**

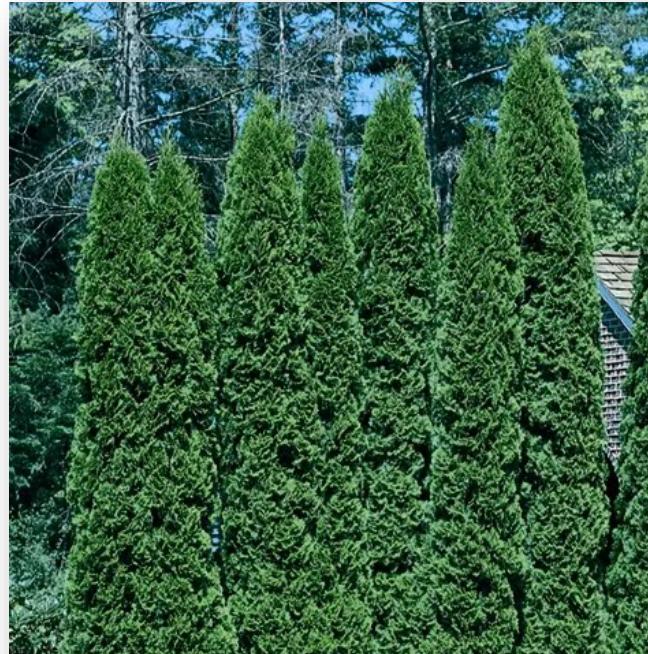

**Growth Moderate**

**4 + Hours**

**Zone 4 - 7**

Rushmore Arborvitae is a striking, upright evergreen known for its dense, tightly packed foliage and naturally symmetrical, pyramidal form. Its rich green, scale-like leaves maintain vibrant color year-round, creating a clean, polished appearance without heavy maintenance.
