

# Techny Arborvitae

(*Thuja occidentalis* 'Techny')

**Evergreen Tree**

**12' - 15' High**

**8' - 10' Spread**

**Growth Moderate**

**4 + Hours**

**Zone 3 - 8**

The Techny Arborvitae has dense foliage that holds its color all year long. With a moderate height and spread this dense shrub makes a perfect windbreak. Techny Arborvitae are one of the best for winter hardiness, so they are sure to handle what Iowa will throw at it.
