

# Greenspire® Linden

*(Tilia cordata 'Greenspire')*

**Shade Tree**

**40' - 50' High**

**25' - 30' Spread**

**Growth  
Moderate**

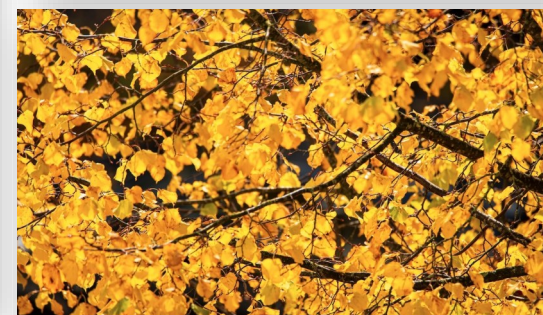

**4 + Hours**

**Summer Blooming  
Yellow Fall Color**

**Zone 4 - 8**

Greenspire® Linden is a versatile tree and can grow in a wide range of soil types. Tiny, yellow, fragrant flowers appear in early summer and small, heart-shaped, green leaves turn yellow in fall. The Greenspire® Linden has a very uniformed oval shape. A great tree for attracting pollinators.
