

Patriot Elm

(*Ulmus 'Patriot'*)

Shade Tree

40' - 55' High

30' - 40' Spread

**Growth
Fast**

4 + Hours

**Yellow Fall Color
Dense Canopy**

Zone 3 - 8

The Patriot Elm has a great growth rate as well as some of the best shade a tree can offer. More than just a perennial AFC Champion, this tree has an impeccable list of bug and disease resistances to boot. Being a very strong, hardwood tree that has a desirable yellow fall color this elm is sure to please.
