

# Vinca Vine

Bentley Ridge  
Tree Farm & Nursery 

Container Use: Spiller

4 + Hours

Size: 3" - 6" Tall 8" - 12" Wide

Vinca, also known as periwinkle, is a popular annual vine that is commonly grown for its attractive, glossy green foliage and showy flowers. The vinca vine produces small, five-petaled flowers that come in shades of white, pink, and lavender. The blooms are typically produced in the spring and summer months and can add a burst of color to any garden. **Vinca Vine is considered toxic to pets.**
