

Viola

Container Use: Filler

4 + Hours

Size: 6" Tall 12" Wide

Violas are popularly known for cool season flowers with smaller blooms than Pansies. One of the first and last annual to bloom in cooler climates. Viola's come in many different colors from purple, yellow, blue white, red, and many bi-color varieties. The bright flowers will attract Butterflies and Pollinators. Viola's are considered edible and are used as a garnish or used in salads. Viola's are considered pet friendly but is recommended to keep out of reach from pets.
