Shrub

1.5' - 2.5' High

1.5' - 2.5' Spread

4 + Hours

**Variegated Foliage
Shade Tolerant**

Zone 4 - 6

The Monet Purple Effect® Weigela is characterized by its stunning purple flowers and variegated foliage. The flowers are trumpet-shaped and bloom in late spring or early summer, creating a vibrant display of color in the garden. The foliage is variegated with shades of green and purple, adding further interest and beauty to the plant.
