

Northern Glow[®] Maple

(*Acer pseudosieboldianum* x *palmatum* 'Hasselkus')

Ornamental Tree

15' - 20' High

20' - 25' Spread

**Growth
Moderate**

0 - 6 Hours

**Red Fall Color
Understory**

Zone 4 - 8

Northern Glow[®] Maple has the look of a Japanese Maple but it can tolerate Iowa's weather. Unlike Japanese Maples the Northern Glow[®] can tolerate more sun exposure. It's leaves fade to a bright red in the fall.
