

Moonshine Yarrow

(*Achillea* x 'Moonshine')

Perennial

16" - 18" Tall

20" - 24" Wide

**Bloom Time:
Summer**

4 + Hours

Zones 3 - 8

Moonshine Yarrow has yellow flowers which appear from late spring to late summer, creating a stunning display of color in the garden. This plant is a versatile addition to gardens, borders, and rockeries, providing both color and texture. Its compact growth habit and tolerance to poor soil conditions make it ideal for mixed plantings and naturalized areas.
