

False Indigo/Baptisia

(*Baptisia*)

Perennial

2' - 3' Tall

2' - 5' Wide

**Bloom Time:
Late Spring/Summer**

4 + Hours

Zones 4 - 9

False Indigo/Baptisia produces beautiful, dense spikes of flowers in late spring to early summer, which stand out against its green foliage. The foliage is also an attractive feature of this plant, as it remains green and healthy throughout the growing season. It is drought-tolerant and low maintenance, making it a great addition to any garden or landscape. It also attracts pollinators such as bees and butterflies, making it a great choice for pollinator gardens.
