

Pugster® Amethyst Butterfly Bush

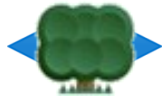

(*Buddleja davidii* 'SMNBDL' PP30236)

Shrub

1.5' - 2' High

1.5' - 2' Spread

4 + Hours

**Summer Bloomer
Fragrant Blooms**

Zone 5 - 9

Pugster® Amethyst Butterfly Bush is a dwarf variety of Butterfly Bush. It produces thick fragrant amethyst flowers in the summer and will rebloom heavily if deadheaded. A great shrub to fill in a small area in a full sun landscape.
