

# Golden Mop False Cypress

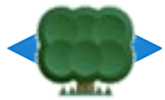

(*Chamaecyparis pisifera* 'Golden Mop')

**Evergreen Shrub**

**2.5' - 3' High**

**3' - 4' Spread**

**4 + Hours**

**Contrast Color  
Evergreen**

**Zone 4 - 8**

Golden Mop False Cypress is a ground-hugging mound that is truly mop-like, with stringy leaves that color best in full sun. A terrific accent to add contrast to a landscape. It is evergreen and will hold its color all year.
