

# Northern Acclaim<sup>®</sup> Honeylocust

*(Gleditsia triacanthos 'Harve')*

**Ornamental Tree**

**40' - 45' High**

**30' - 35' Spread**

**Growth  
Moderate**

**4 + Hours**

**Thornless  
Seedless**

**Zone 3 - 6**

The Northern Acclaim<sup>®</sup> Honeylocust boasts an exquisite display of finely divided, fern-like leaves. This is a thornless and seedless variety of Honeylocust. The fern like foliage turns a vibrant yellow in the fall. A great tree to add fall color and diversity to the yard.
