

Little Grapette Daylily

(*Hemerocallis* x 'Little Grapette')

Perennial

12" - 16" Tall

12" - 16" Wide

**Bloom Time:
Summer**

4 + Hours

Zones 4 - 11

Little Grapette Daylily is a flowering perennial prized for its compact clumps of slender, green, grass-like leaves that are highlighted by beautiful, deep lavender-purple flowers on tall stems. It can be planted in mass for a stunning early summer show. An excellent choice for borders and walkways.
