

# June Hosta

(*Hosta* x 'June')

**Perennial**

**12" - 18" Tall**

**24" - 30" Wide**

**Bloom Time:  
Spring**

**0 - 4 Hours**

**Zones 3 - 8**

June Hosta's have distinctive gold leaves with striking blue-green edges. Pale lavender flowers appear on showy stalks above the foliage in summer. Heavy, substantial foliage resists slug and insect damage.
