

Invincibelle Lace® Hydrangea

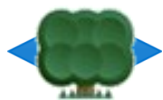

(*Hydrangea arborescens* subsp. *radiata* 'SMNHRLL' USPP 33,290)

Shrub

4' - 5' High

4' - 5' Spread

0 - 4 Hours

**Lace-cap Flowers
Red Stems**

Zone 3 - 8

Invincibelle Lace® Hydrangea is a unique lace-cap variety of Smooth Hydrangea with pink blooms. It has strong ruby red stems which make the plant attractive without flowers. The long blooming flowers are great for pollinators. A great unique variety to add a pop of color in a shady area.
