

Pinky Winky Prime® Hydrangea

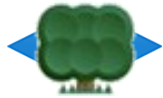

(*Hydrangea paniculata* 'ILVOHPPRM' USPP35334)

Shrub

6' - 9' High

6' - 9' Spread

4 + Hours

Dazzling Blooms
Two-Toned Color

Zone 3 - 8

The Pinky Winky Prime® Hydrangea has large white panicles that open up around mid to late summer. As the season continues the flowers will produce new florets at the tips, giving it a two tone color. This shrub is also easy to grow, giving it a multitude of uses. A great choice for foundation plantings or as a colorful hedge.
