

# Little Henry® Dwarf Sweetspire

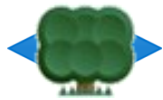

(*Itea virginica* 'Sprich' USPP 10,988)

**Shrub**

**2' - 3' High**

**2' - 3' Spread**

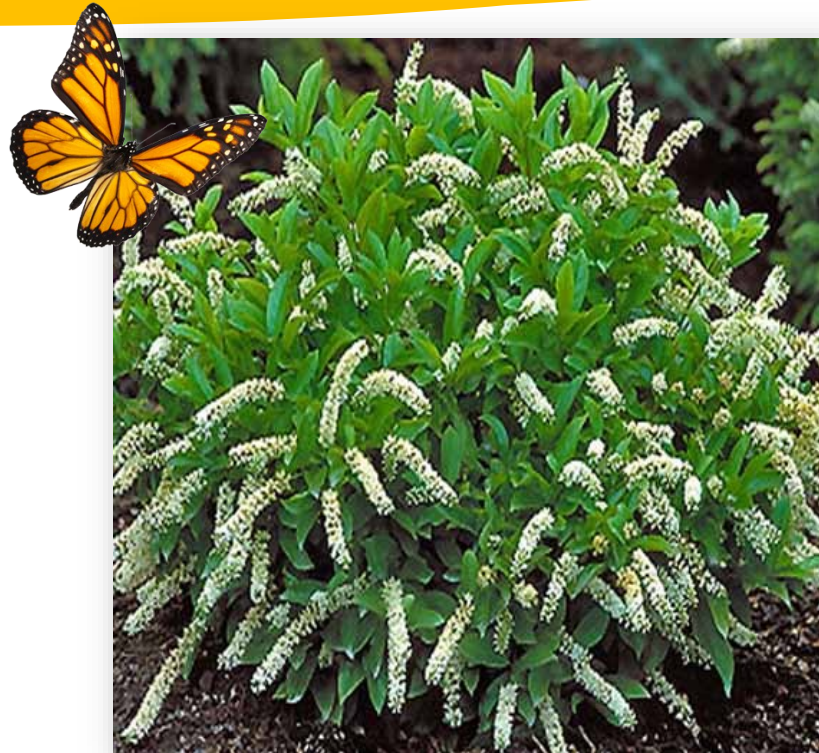

**2 + Hours**

**Red Fall Color  
Disease-free**

**Zone 5 - 9**

This compact Sweetspire starts out the summer with a beautiful display of fragrant white flowers that blanket the shrub. As summer progresses shiny, disease-free foliage appears until fall when the foliage turns a stunning garnet-red. Full sun exposure will produce more vibrant fall colors, but this shrub is well-suited for the shade as well. Perfectly suited for covering large banks, beds and borders.
